

## SIELSCHOTT, WALSH, KEIFER, & REGULA CPAs, Inc.

The I-75 construction project has impacted the way you will access our office. No longer can you enter Dean Avenue from the south. Instead, you must enter from the north, via Lost Creek Boulevard and Bryn Mawr. If you are coming from the east, turn north on Saratoga before turning onto Wellesley and Lost Creek Boulevard. If you are coming from the west, you will need to make a U-turn on Route 309 in order to get back to Saratoga.

**Parking:** You may park either in the main building lot at 711 Dean Avenue, or also there is parking available in the lot for the building to the north of our main office.
